JUDGMENT

The claim of the petition is for release of amounts due to him for the contract works done. The counter affidavit of the 4th respondent shows that in view of the letter of credit already available, there were certain recommendations and that, as of now, further letters of credit for the work of construction of G.V.Raja Sports School will be considered by the Government on production of copies of technical sanction and accounts of part payments. The Government letter is stated to be gaining the attention of the competent officer. Hence this writ petition is disposed of directing that the details called for by the 4th respondent shall be made available by the second respondent at the earliest and the reply to the Government letter dated 17.1.2007 shall also be issued without delay. The amounts due to the petitioner will then be quantified and released, at the earliest.
